Ever wondered what it's like to sing in harmony?

But where to do it? And who with?

And how does one even begin to learn? Sounds awfully complicated?

Well, believe it or not, all of these questions can be answered with one very simple phrase -

“It's a lot easier than you might like to think.”

Taunton's Rivertones Barbershop Chorus's mission is to welcome men like you who enjoy singing in the company of like-minded others.

Our men's chorus would like to have the opportunity for meeting you and

- sharing a couple of our popular songs with you!
